Not for profit: Parkview Health is a not-for-profit, community-based health system serving Indiana and northwest Ohio.

With a focus on excellence, Parkview Health is a national leader in safety and quality, patient experience, and workplace culture. Our culture unites Parkview co-workers and providers in a common goal to deliver excellent care, to every person, every day.

History: Parkview Health traces its roots back to Fort Wayne City Hospital, founded in 1878. Subsequent hospitals in our history include Hope Hospital (1891–1922), Methodist Hospital (1922–1953), Parkview Memorial Hospital (1953–1955), and Parkview Hospital (1955–).

Key service lines: heart, orthopedics, neuro, trauma, cancer, behavioral health, and women's & children's

Mission and Vision

Improve your health and inspire your well-being. You are at the center of everything we do, as an individual, as an employer, or as the community.

Parkview Health Foundation: Offers opportunities for supporting quality patient care, health services, and outreach programs through tax-deductible financial giving or in-kind donations. Every dollar or item donated to the Parkview Health Foundation is used to enhance the quality of healthcare provided to the community.

Parkview Physicians Group: Six physicians formed a primary care department of Parkview Hospital in 1995; in 1997, 43 affiliated physicians established Parkview Medical Group (PMG). In 2009, PMG became Parkview Physicians Group (PPG) with the acquisition of primary care physicians, specialists in cardiovascular and colorectal surgery, and OB/GYN. Now, PPG includes more than 1,300 providers in more than 40 specialties in nearly 300 locations throughout Indiana and northwest Ohio.

Parkview Research Center: A research function participating in national and international medical research that brings the newest technology and medical breakthroughs to the Fort Wayne area.

Parkview Employer Solutions: A combination of four service lines aimed at improving the financial health of area companies and the physical and mental health of their employees. Includes the Signature Care PPO network, Occupational Health, Employee Assistance Program, and Workplace Wellness.

Other: Parkview Health at Home, Parkview Hospice, Parkview Health Laboratories, Parkview Health Graduate Medical Education, health and fitness centers, ambulatory care and diagnostic centers, outpatient services centers, EMS, and others
